

## Coral Gables Hospital appoints new director of medical/surgical services

Taina Borges

Apr 06 2011

Coral Gables Hospital has promoted Taina Borges to the position of Director of Medical/Surgical Services. In her new role, Borges will direct and coordinate the department's clinical functions and plan for the delivery of high quality patient care.

Borges has been an employee of Coral Gables Hospital for the past seven years. Most recently, Borges served as the hospital's Nurse Manager and Assistant Nurse Manager, where she has enhanced nursing and physician collaboration; implemented programs to meet quality mandates; and improved patient satisfaction scores.

Borges earned her nursing degree from Miami Dade College.
